Session 8: Free practical time

Before you go...

- Feedback on the course would be extremely welcome!
 - I will send an email later today asking for Stop/Start/Continue suggestions
- Remember to keep an eye on the COST action website:
 - <http://harmony-net.eu>
 - Physical training schools are being run in September and accepting sign-ups now!

Suggested activities for the rest of the morning

1. Work on your own data where possible, or help others in groups
2. Go back and look at the optional exercises if you didn't get chance to complete them all
3. General discussion / Q&A session in plenum

Suggested activities for the rest of the morning

1. Work on your own data where possible, or help others in groups
2. Go back and look at the optional exercises if you didn't get chance to complete them all
3. General discussion / Q&A session in plenum

We will be here until 12.30
